Legal Staff

CIA Regulations -

25X1A

1. We concur in your comments in regard to Section IV and have made additional pencil notations throughout the remainder of the regulation. It is noted that in several places the decision is left with the Chief, Administrative Staff or Chief, Services Division, Administrative Staff, with no provision for action by their opposite numbers on the covert side. It is assumed that this is intentional in order to achieve simplicity and uniformity of action.
